

Transition to a Digital Immigration system

Setting up a UKVI account

The UK Government is developing a digital immigration system which will replace your biometric residence permit (BRP). Starting from 06.08.2024 everyone can and must create a UKVI account to view and share relevant information about their status with third parties, such as their sponsor, employers or landlords.

Steps to create a UKVI account

What do I need to do now?

Please take the following steps now:

1. Create a UKVI account to access your eVisa, which will replace your BRP.
2. To create your UKVI account, you will need:
 - Your date of birth
 - Your BRP Number
 - Your passport (if you do not have a BRP)
 - Access to an email address and phone number
 - Access to a smartphone

You should create your UKVI account at: <https://www.gov.uk/get-access-evisa>.

What you need to do

You will be asked to:

- create a UKVI account
- confirm your identity using the 'UK Immigration ID Check' app

This information will be used to link your eVisa to your UKVI account. You'll get an email when you can access your eVisa in your account.

Before you start

You will need:

- an email address and phone number
- access to a smartphone
- your BRP card (or a valid passport, and either your BRP number or your visa application number)

The answer to all these questions should be "yes"

Create a UK Visas and Immigration (UKVI) account

You need to create a UKVI account to:

- view your immigration status (eVisa) online
- make a visa or immigration application
- confirm your identity, update your details or prove your immigration status

You can give someone else access to your UKVI account to start, edit and submit visa and immigration applications. You will need their email address and phone number.

What you need to create an account

You need:

- your date of birth
- your biometric residence permit (BRP) or your passport
- access to your email address and phone number
